## HISTORY

As the daughter of former slaves in South Carolina, Mary McLeod Bethune was a distinguished educator and served as an advisor in the presidential administrations of Coolidge, Hoover, Roosevelt, and Truman. Dr. Bethune recognized the need for organized unity among black women, which would facilitate a forum to address the many challenges confronting the black community and to open the many doors that were closed to blacks. She proposed the establishment of a united organization of black women, which through collective unity could bring the issues to the forefront. Dr. Bethune founded the National Council of Negro Women in New York on December 5, 1935, for which she served as president for 14 years. In addition, Dr. Bethune founded Bethune-Cookman College in 1904 and she was a tireless crusader for civil and human rights.

The Northwest Virginia Section was organized in 1987 by several at-large members. The Northwest Virginia Section has been instrumental in continuing the legacy that Dr. Bethune began more than 69 years ago. Through its numerous activities aimed at empowering women, their respective families and the community, the Northwest Virginia Section maintains a strong and active presence in the counties of Prince William, Fairfax, Loudon, and the cities of Manassas and Manassas Park.

## MISSION

It is the mission of the National Council of Negro Women, Incorporated to help women improve the quality of life for themselves, their families, and the community.

## PLEDGE

It is our pledge to make a lasting contribution to all that is finest and best in America, to cherish and enrich her heritage of freedom and progress by working for the integration of all her people regardless of race, creed, or national origin, into her spiritual, social, civic, and economic life, and thus aid her to achieve the glorious destiny of a true and unfettered democracy.

## Greetings from Our President

It is a pleasure and privilege to welcome you to our 29th Annual Scholarship Award Fashion Show Luncheon. We are excited that you decided to join us on this momentous occasion as we award scholarships to four outstanding high school students in the Prince William community and surrounding area.

The 2019 luncheon theme, "Keeping the Legacy Alive, As We Celebrate Our Youth," is based on our founder Mary McLeod Bethune's Legacy of advocating for the educational advancement of our youth. The words of her litany, "I leave you a thirst for education, I leave you a responsibility to our young people" serves as our section's mission. We fulfill this mission by supporting our local schools, providing financial aid to students, serving on school boards, tutoring our students in community schools, as well as awarding annual academic scholarships.

Since 1990, our section has awarded 67 scholarships, and these students represent the future leaders of the 21<sup>st</sup> century. In addition, our community efforts include participating in the Manassas African-American Heritage Festival, MLK Day Celebrations, attending faith-based education assistance programs, and attending community Black History Month events.

We invite you to join us in our community service activities by joining our section at [www.ncnw007.org](http://www.ncnw007.org). Thank you for attending our luncheon and for your continued support.

## Biography of Miss Nyemah King

### *Mistress of Ceremony*

Nyemah King is a freshman at Norfolk State University in Norfolk, Virginia. She is pursuing a degree in Elementary Education PK-6 to become a school teacher. From high school into her freshman year of college, she has exhibited a bright personality which has been appreciated by professors, her church family, friends, and peers.

Nyemah was asked to be a part of the Student Government Association (SGA) as the freshman class Executive Administrator for the 2018-2019 academic school year. Though she was initially hesitant about accepting the offer, she willingly stepped out of her comfort zone and pursued this new leadership opportunity which has afforded her much success. Her leadership and oral communication skills have been greatly enhanced with both faculty members and peers. Each leadership opportunity Nyemah has availed herself to has been an inspiration to the Norfolk State Spartan family including her peers, friends, and professors.

Nyemah is a member of the National Association for the Advancement of Colored People (NAACP). She has been reared in a family that promotes pro-black awareness, and she seeks to maintain the same close association during her college years. She made the decision to join this organization because of her compassion for the well-being of fellow Black brothers and sisters. She believes in being hands-on in the community and tackling issues to promote change. Since becoming a member of the NAACP, Nyemah has learned that receiving the best possible education is key to understanding the issues plaguing the world today. Her own understanding of global issues and the need for educating the masses is why Nyemah is concentrating her efforts to become a teacher. She has maintained the belief that if she can touch her students at a young age and instill the need for higher education within them, their ensuing search for knowledge can be a start to improving our black communities. Her favorite quote by the late Dr. King is "Life's most persistent and urgent question is, 'What are you doing for others?'"

Nyemah is a member of First New Birth Baptist Church in Manassas, Virginia where she has been a member her entire life. Each summer since her freshman year in high school, she has volunteered to help teach the children's class during Vacation Bible School. She also assisted the Committee Chairs during First New Birth's events by serving dinner and helping with event logistics. Lastly, she is the church's musician where she played the drums every Sunday.

Nyemah believes that children are our hope for change, and that by becoming a teacher she can be instrumental in helping to shape the lives of our future doctors, lawyers, and political leaders one student at a time.

## *Helen Ames Scholarship*

The National Council of Negro Women, Northwest Virginia Section, Manassas, Virginia, established an annual scholarship in recognition of Mrs. Helen Harmon Ames. Mrs. Ames was a Founding Charter Member of this Chapter and because of her tireless humanitarian and philanthropist efforts to this organization and others throughout the community, this scholarship is named in her honor.

**“Well done, thou good and faithful servant.”**

## Helen Ames Scholarship Recipient

**Destiny Elizabeth McKenzie**

Destiny McKenzie resides in Manassas Park, VA and is a senior at Manassas Park High School. She is the daughter of Molly and Fitzroy McKenzie. Destiny attributes her Mother Molly McKenzie as being the most influential person in her life. At the age of 8, Destiny was diagnosed with cancer. Praise be to God, she has been cancer free for the last 9 years. Destiny attributes her life lessons to her mother instilling in her a strong faith and perseverance which she carries with her in everything she does whether it is in academics, community service or leadership positions. When feeling defeated, her mother told her “You have got to stand first before you can reach your destiny!”

Since the seventh grade, Destiny has maintained excellence in her academics, her current GPA is 4.3. She has been in the National Honor Society since 2017. Other honors include AP Scholar, Quest Bridge Scholar, and a Gates Millennium Semi Finalist.

Her leadership skills are shown by her membership and the positions she holds in the following organizations - President, International Thespian Society; founding member of the African American Cultural Society; Events Coordinator for the Medical Club and Black Student Union; Parliamentarian, Future Business Leaders of America; Treasurer of the Student Government Association; and Manager of the Marching Band.

Destiny volunteers at the Birmingham Green Adult Care Facility. She interacts with patients by listening, talking and reading to them; she also assists the activities department in facilitating games and group activities. Her Manager states “Destiny has a great attitude and is well liked by all the staff and residents. With her hard work ethic, professionalism and outgoing personality, she is a great asset to the Birmingham Green Volunteer Team.”

Destiny has also helped to organize her school’s Annual blood drive and monthly food pantry.

Upon graduation from Manassas Park High School, Destiny plans to attend North Carolina A&T, Greensboro, NC where she will pursue a degree in Nursing. Her dream career is to be a Nurse Midwife and to one day open her own birth center.

Destiny would like to thank God and her family for blessing her with courage to help others. She finds in hard times she must always look back at her favorite Bible verse “Never will I leave you, Never will I forsake you”-Hebrews 13:5

**Makala Symone Crawford**

Hello! My name is Makala Symone Crawford, and I was born in Fairfax, Virginia on December 3, 2000, joining my older brother Elijah. Bubbly. I grew up in a close-knit household, with my brother being my best friend. He has always been there to make me laugh, no matter the predicament.

Much of my childhood has been surrounded by religious values and traditions, as I have grown up, and am currently, Christian. Originally, my family attended Harvest Life Changers Church but sensing an urge to discover a new church home, attended a service at First Mount Zion Baptist Church, which has been our church home since 2009.

I was enrolled in Old Bridge Elementary School at age 5 and was placed into the Gifted Education Program. I continued in the Gifted program through middle school at Lake Ridge, and up until now. I have attended Woodbridge Senior High School since September 2015 and will graduate from there on May 31, 2019 (yayy!).

In high school, I am involved in several honorary societies, i.e., the Tri M Music Honor Society, National Honor Society, and Delta Epsilon Phi, also known as the German Honor Society. I also participate in a variety of activities associated with these organizations, to include the Multicultural Night, event planning, Sing Your Face Off, and Entertainment Night. I also volunteer at Sentara Northern Virginia Medical Center as a Junior Volunteer Lead.

I participate in two choirs at my school, Woodbridge Singers, and Woodbridge Chorale. We have hosted a variety of events, to include singing at middle schools, performing concerts, being filmed by a television station, participating in All County Chorus, auditioning (and making it into) VMEA Senior Honor Choir at Longwood University, putting on a concert for elementary school children, performing a concert with elementary and middle school children, Thomas Dale Competition in Richmond, Christopher Newport University invitational and vocal clinic, and more!

At my church, I participate in the Youth Ministry, and our Youth Choir, Voices of Zion. As an active participant in Youth Ministry, I have participated in several events, such as Youth Lock-Ins, Retreats, First Friday Monthly Meetings/discussions, food drives, and volunteering at a nursing home. I have participated in a separate service project with Voices of Zion, volunteering at a nursing home with them as well.

Upon graduating high school, I will be attending Winston Salem State University, where I will major in Psychology on the Pre Medical track, and I will minor in music. Upon completion of my undergrad study, and contingent on my MCAT score, I will enroll in Medical School, prayerfully at one of several institutions of higher learning, preferably Meharry Medical College, Charles R. Drew School of Medicine, or Howard University School of Medicine. My ultimate goal is to earn an MD in Psychiatry, and then work to promote reform in the Criminal Justice system through establishing music programs as a form of therapy to inmates.

## Scholarship Recipient

**Raeven Latney**

Raeven Latney, even as a high school student, realizes that succeeding in her chosen field of engineering is, and will continue to be, an uphill struggle. She admits that as a young black woman, she has encountered both racial and gender discrimination in her quest to move ahead in this field. However, her weapons of passion and persistence, and her desire to “inspire and encourage minorities to join the STEM field and other career fields” where they are underrepresented, propel her towards making her life-long dream a reality.

Raeven has a most impressive list of achievements, leadership positions, honors, and organizations to prove she means business. Among them are membership in The National Honor Society, DECA (historian), Spanish Honor Society, Black History Club, National Society of High School Scholars, Math Honor Society (vice president, cofounder), National Technical Honor Society, and Science Honor Society (event planner).

Her Business Education teacher describes her as being well-prepared, humble, creative, determined, productive, kind, and caring when it comes to helping her peers and others. Her helpful and caring attitude is evident in the many community activities that Raeven continues to participate in such as clothing, food, book, and perishable food drives; tutoring; feeding the homeless; volunteering in her church, and delivering meals and groceries to the disabled.

Raeven’s professor in a highly selective program (Engineering Innovation Program) at Johns Hopkins University notes that in the program, she was highly competitive, committed, enthusiastic, and among his best performing students, qualifying her as a strong candidate for pursuing undergraduate studies in a high ranking institution. Raeven plans to do just that as she matriculates at The Ohio State University this fall as a Materials Science and Engineering major.

## Scholarship Recipient

**Alexander Eugene Kelly**

Alexander Eugene Kelly is a Stonewall Jackson High School (SJHS) Senior in Manassas, Virginia. He is the son of Jimmy (Jim) D. and Cheryl A. Kelly, Bristow, VA. He plans to major in communications at Hampton University for a career in radio and television broadcasting. Alex wants to be a sports broadcaster.

Recent honors include: selection as the SJHS 2019 Outstanding Journalism Student, second place recognition as "Best Before the Judges" for the 2019 Annual Prince William County Delta Sigma Theta Martin Luther King Oratorical Competition, first place recognition in the Fairfax Central Baptist Union Oratorical Showcase in 2016, 2017 and 2018, first place recognition in the Gainesville-Haymarket Rotary Youth Speech Contest in 2018 and third place in 2019. Because of the MLK Oratorical Competition, Alex has been invited to churches and community events where he has delivered his 2019 speech. He is a member of the symphonic and jazz bands and was a member of the concert band for three years. Alex is the Saxophone/Woodwinds Section Leader for the SJHS Marching Band.

Alexander is a member of the Mount Olive Baptist Church (MOBC) in Fairfax, VA, where he participates in the Junior Buffalo Soldier Color Guard. He sings in the MOBC Youth Choir and is a member of the Youth Praise Team. He has attended the Lott Carey International Youth Development Seminar and the Hampton University High School Marching Band Camp.

His community service efforts include assisting with the 2016 Food Fight, helping to pack 5 million meals to feed over 14 thousand children around the world, labored in Alpha Kappa Alpha Sorority's playground 1908 effort to refurbish 1,908 playgrounds across the nation in May 2016 and 2017; labored in the Phi Beta Sigma Fraternity Adopt-A-Highway Trash pickup, March 2018, and the Dumfries Slave Cemetery clean-up sponsored by the Prince William County NAACP, June 2018.

His favorite leadership belief is "I'd rather have someone working for me who has failed because if they have failed it means that they have learned something," paraphrased from a Colin Powell interview about leadership. His favorite Bible verse is "If any of you lack wisdom, you should ask God, who gives generously to all without finding fault, and it will be given to you," James 1:5, NIV.

**CHAIRMAN**

As someone who loves this community,  
I am proud of all that we've accomplished,  
but I know that there is still work left to be done.

That is why I am running  
to be to the Chairman  
of the Prince William  
Board of County  
Supervisors.

Someday I hope my kids  
will be as proud  
to have grown up here  
as I am.

## TIBBS PAVING INC.

- Tibbs Paving, Inc. offers a full range of pavement installation and maintenance service solutions. We have provided quality pavement installations and maintenance for over 21 years in Virginia, DC, Maryland, and West Virginia. Streets and parking areas are an important aspect of your property having a direct bearing on safety and aesthetic quality. They require maintenance to assure functional service and the curb appeal you

wish to project as an owner and property manager. Our pavement and maintenance services include;

- o Installation of new asphalt and concrete pavements
- o Milling removal and renovation of existing asphalt pavements
- o Pavement restoration by application of our PDC asphalt rejuvenator (PDC)
- o Portland cement concrete pavement and curb installation
- o Pothole and crack repair
- o Speed bump installation
- o Pavement and curb marking and striping
- o ADA compliance work
- We provide an inspection outlining any necessary repairs and recommendations on prolonging the service life of your pavement. We can tailor a service plan providing annual maintenance services to assure you maximize the value of your pavement investment while spreading the expense more evenly over the year.
